

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

## Preface.

---

THIS Volume is a copy of Harleian MS. 1534 in the British Museum. In the Catalogue it is entitled—

“An Heraldical Book in fol., written & tricked by M<sup>r</sup> Richard Mundy, containing:—

- “1. An Alphabetical Table of Surnames referring to the following Pedigrees. At the beginning.
- “2. The Visitation of the County of Cambridge, made in Anno 1575 by Robert Cooke, Clarenceulx.
- “3. Continued & enlarged with the Visitation of the same County, made by Henery S<sup>t</sup> George, Richmond-Herald, Marshall & Deputy to William Camden, Clarenceulx, in Anno 1619.
- “Other observables in this Book may be—
- “4. Atchievement of the Towne and Borough of Cambridge.
- “5. Les Armes des Professors del Universite de Cambrydg; as purchased by Dr. Lorkin.
- “6. Some Proofs from Evidences & Seals touching the Family of Colvile.
- “7. The Crest of Creeke, prettily painted.
- “8. The Armes & Crest of Millescent, painted.
- “9. Arms of some few Cambridge-Shire Gentry, tricked in printed Escocheons.
- “As to the Additions & Continuations—
- “10. M<sup>r</sup> Munday writeth in the Titles that he hath added many Descents to the former Visitations.
- “11. In like manner he hath made Additions to particular Descents; as 20<sup>b</sup>, 21, 26<sup>b</sup>, 39, 43<sup>b</sup>, 55<sup>b</sup>, 58<sup>b</sup>, 85<sup>b</sup>, etc.
- “12. So hath M<sup>r</sup> Robert Dale, Suffolk-Herald Extraordinary; 4, 15<sup>b</sup>, etc., 24<sup>b</sup>, 30, 64. And so have others; as at 5<sup>b</sup>, 6, 6<sup>b</sup>, 25<sup>b</sup>, 40, 41, 141<sup>b</sup>, etc.”

The MS. 1534 has been compared with Harleian MS. 1401, and with a copy formerly belonging to Sir Thomas Phillipps, Bart., containing a few of his notes, which have also been added. The description of Harleian MS. 1401 in the Museum Catalogue is as under—

“An Heraldical Book in fol., wherein are contained:—

- “1. A Copie of the Visitation-book of Cambridgeshire, as the same was made & taken by Henry S<sup>t</sup> George, Richmond, for William Camden, Clarenceulx, A.D. 1619.

"Observables in this Copie (besides the omission of the Extracts from the antient Evidences, etc.), are—

- "2. The Omission of the Arms of the several Families: for what are now done in the book are of the hand of John Saunders, who tricked some with his Pen; traced out others with his black Lead, & omitted the rest.
- "3. A Leaf of the original Visitation-book, as I take it to be, containing the Descents of Baron & of Harris; subscribed by John Baron & William Harris.
- "4. Alphabetical Table containing the Surnames of these Families, whose Descents are herein entred. At the end."

There are several other copies in the Museum, but they chiefly contain the Visitation of 1619, so that the one now printed, Harleian MS. 1534, is much the best.

Harleian MS. 1043. "The Visitation of the County of Cambridge, as taken A.D. 1619 by Henry St George, Richmond, for William Camden, Clarencieux, with some additions. Another Table to the Visitation of Cambridge, more accurate than the other mentioned above."

Harleian MS. 6769. "A Folio in the handwriting of Mr Humphry Wanley, containing the Visitation of Cambridgeshire 1619, 75 pages, and an Index."

Harleian MS. 6770. "A Folio containing the Visitation of Cambridgeshire, A.D. 1619, written by a different hand, 149 pages, besides an index. These two are bound together."

Add. MS. 4962. "The Visitation of Cambridgeshire, taken by Henry St George, Richmond-Herald of Armes, in 1619."

Add. MS. 16,940. "Visitation of Cambridgeshire 1570—1590."

At the Heraldic Exhibition held by the Society of Antiquaries at Burlington House in 1894, there was exhibited the original Grant of the Arms granted to the five Regius Professors in the University of Cambridge by Robert Cooke 13 November 1590.\* Through the kindness of Mr. J. W. Clark, F.S.A., the University Registrar, these Arms have been reproduced as a Frontispiece to this Volume.

\* Mr. W. H. St. John Hope, M.A., read a Paper (printed in the "Archæological Journal," December 1894) at the Cambridge Meeting of the Archæological Institute, 12 August 1892, on these Arms, and on the Armorial Ensigns of the University and Colleges of Cambridge.
